

# Optional Practical Activity

## Create a Menu

### You will need:

- Paper
- A pen or pencil for writing

### You could include:

- Materials for decorating (such as felt tips or crayons)
- Photographs of your food and drink items

Take a picture while you do this activity and tweet us [@ClassroomSecLtd](#) using the hashtags [#CSKids](#) and [#HomeLearningHero](#) to be in with a chance of winning a month's subscription to [classroomsecrets.co.uk](#).

## Instructions

1. Prepare the food items (you may need help from an adult with this).
2. Add a title to your menu. This should be bold and eye-catching!
3. List the drinks.
4. List the food items. You may want to include a starter, main course and dessert, but you can include as many or as few items as you wish.
5. Decorate your menu.
6. Give your menu to your customers to enjoy!

## Top Tips

- Remember to ask an adult before preparing any food.
- You could decorate your menu with pictures or photographs of your food to make it look appealing.
- Use appealing adjectives to describe the food items.
