

Year 4 Using Conjunctions to Express Time, Place and Cause – Guidance for Parents/Carers

Activity:

The aim of this activity is for children to practise using and recognising conjunctions being used to express time, cause and place. There are three questions to complete. The first two questions allow children to practise the skill, while the third question extends them as they have to apply their learning to get the answer.

Vocabulary:

A **conjunction** is a word used to join two clauses. There are different kinds of conjunction such as for time (e.g. **after**), place (e.g. **where**) and cause (e.g. **because**).

Using Conjunctions to Express Time, Place and Cause

1. A – time, B – place, C – cause
2. Various answers, for example: A – When I arrived at my old school, my friends were very excited to see me; B – Due to our teacher not being well, Mr Khan came to teach us ICT; C – Wherever the muddy dog went, he left a trail of dirty, wet pawprints.
3. Joshua is incorrect because the conjunction he has used is 'until' and 'until' is a time conjunction.
