

Optional Practical Activity – EYFS (3)

Holiday Activities

Guidance

If you are stuck for things to do this week, then give the following activities a whirl! Some of the activities can be carried out at home, while you might like to complete the others in your outdoor area on your daily walk. Don't forget to colour the box for each one that you try!

Have a picnic		Make a happiness jar
	Camp outside (or inside depending on the weather)	
Lie on your back and look at the stars		Hunt for minibeasts in your outdoor area
