

## Creative Writing Challenge 1

Welcome to the home of \_\_\_\_\_.

Who might live here? What do they look like? How do they move? Why do they live here? Think about what they might eat and how they might find their food. Do they make noise? What sounds do they make? What is their personality like?

Write a character description. Remember to think about your punctuation, use powerful adverbs and different conjunctions in your sentences. You can use the word bank below to help you.
