

A Time Capsule

Activity Outcomes

- To remember the year 2020 through the creation of a time capsule that will help capture the people, the thoughts and the events of the year.

Setting Up

What you will need:

- A container with a lid (you could use a shoebox or a plastic container)

You could also include:

- A photograph of yourself
- A tracing of your hand
- A cutting from a newspaper or magazine
- A diary entry that you have written
- A letter that you have written to your future self
- Some photographs of your home, your family or your pets
- Some mementos like ticket stubs, postcards or stickers

Activity Guide

Activity – Time Capsule

1. Prepare or collect the items to put inside your time capsule.
2. Place the items inside your container and seal it. You may wish to decorate your time capsule with stickers, wrapping paper or paint.
3. Hide your time capsule in a safe place and try not to peek at it!
