Class Access (Beta)
★★★★★ (19 customer reviews)

£0.00 per member

Class Access BETA will create a teacher account for you and the child accounts you need for the children in your class.

When registering below, put the name of your class in 'Team Name'. In the 'Seats' field, enter the number of children in your class and then click the 'add to cart' button.

Once you've completed this, click the 'View cart' button in the top right hand corner of the page. You'll see that the price is £0.00 which is correct as this is our BETA test. Click the 'proceed to checkout' button.

On the checkout page, fill in your personal details and tick the box to say you've read the terms and conditions (please read them!). Then click the 'place order' button.

You will see a summary of your account and a button to 'Add a Team Member'. Click this and you will be able to create individual accounts for your children by adding their user names and passwords.

And that's it. You and your children will be able to access all of the activities straight away!

We will be constantly adding more activities and features to this BETA site over the coming months, so keep checking back to see what's new.
