

## Creative Writing Challenge 1

Welcome to the home of \_\_\_\_\_.

Who might live here? What do they look like? How do they move? Why do they live here? Think about what they might eat and how they might find their food. Do they make noise? What sounds do they make? What is their personality like?

Write a detailed character description. Remember to think about your sentence structure, paragraphs, adverbial phrases and parenthesis. Try to include some words from the Y5/6 spelling lists.

### Extension ideas:

- Create a newspaper report exploring the discovery of the cave
- Write a fact file about an animal who might live in this cave
- Can you think of 5 questions you might ask someone who lived in the cave?
- Write your own myth or legend about a creature who is reported to live inside the cave
