Year 1 Introduce Capacity – Guidance for Parents/Carers

Activity:

The aim of this activity is for children to become familiar with capacity and volume. There are a number of questions to complete. The first four questions allow children to practise the skill, while the next three questions extend them as they have to apply their learning to get the answer.

Vocabulary:

Capacity refers to how much a container can hold when it is full.

The **volume** of a container can be described using full, nearly full, half full, nearly empty and empty. These terms refer to the amount of space that is taken up within the container.

Supporting resources:

You can watch a video tutorial about capacity and volume on **kids.classroomsecrets.co.uk >> Year 1 >> Maths >> Weight and Volume >> Video Tutorials**.

You can watch the answer explanation video which takes children through this activity and ways to answer it on **https://www.youtube.com/user/ClassroomSecretsLtd/playlists >> Year 1 Playlist >> Introduce Capacity Answer Explanation.**

Other resources:

If your child enjoyed this activity and wants to try more activities linked to this learning, you can sign up for £4.83 per month on **classroomsecrets.co.uk/membership**.

Check out our daily timetable for Year 1 home learning activities on kids.classroomsecrets.co.uk >> Home Learning Timetable.
