

Activity:

The aim of this activity is for children to practise ordering numbers from 1 to 50. Children are allowed to use each digit more than once to complete this activity. Allow children to explore with the digits and decide their final answer.

Vocabulary:

A **number track** is a representation of the order of numbers when counting. It can go forwards or backwards. It is similar to a number line, but numbers can go up or down in jumps of 1s, 2s, 3s, etc.

Supporting resources:

You can watch a video tutorial about numbers from 1 to 50 on [kids.classroomsecrets.co.uk](https://www.classroomsecrets.co.uk) >> **Year 1 >> Maths >> Place Value >> Video Tutorials.**

You can watch the answer explanation video which takes children through this activity and ways to answer it on <https://www.youtube.com/user/ClassroomSecretsLtd/playlists> >> **Year 1 Playlist >> Numbers to 50 Answer Explanation.**

Other resources:

If your child enjoyed this activity and wants to try more activities linked to this learning, you can sign up for £4.83 per month on [classroomsecrets.co.uk/membership](https://www.classroomsecrets.co.uk/membership).

Numbers to 50

1. Sally is counting forwards within 50. She uses the digit cards below to create 2-digit numbers for a number track.

Investigate the different ways she can complete the number track using the digit cards. You can use each digit card more than once.

Accept any answers where the numbers count up in the correct order, for example:
