

Year 1 Halving Shapes or Objects – Guidance for Parents/Carers

Activity:

The aim of this activity is for children to practise halving shapes or objects. There are three questions to complete. The first two questions allow children to practise the skill, while the third question extends them as they have to problem solve and explain their answer.

Supporting resources:

You can watch a video tutorial about halving shapes or objects on kids.classroomsecrets.co.uk >> Year 1 >> Maths >> Fractions >> Video Tutorials.

Other resources:

If your child enjoyed this activity and wants to try more activities linked to this learning, you can sign up for £4.83 per month on classroomsecrets.co.uk/membership.

Check out our daily timetable for Year 1 home learning activities on kids.classroomsecrets.co.uk >> Home Learning Timetable.

Halving Shapes or Objects

1. Oscar is incorrect. The paintbrush has not been cut into 2 equal parts.
2. 4
3. D belongs to Tom and Jen because it is the only pie that has been split into 2 equal parts. The other pies are unequal.
