Tuesday – Writing Challenge

Write instructions on how to make a treasure map.

Things to think about:

- What equipment would you need to make your map?
- Think about what you could put on your map, like a swamp, a lake, a hill or a tree.
- Remember to use *first, next, then*, last to write instructions.
- Try joining two sentences together using *and*.
- Make sure every sentence starts with a capital letter and ends with a full stop.
