

Activity:

The aim of this activity is for children to practise finding a half. There are three questions to complete. The first two questions allow children to practise the skill, while the third question extends them as they have to problem solve and explain their answer.

Supporting resources:

You can watch a video tutorial about finding a half on kids.classroomsecrets.co.uk >> **Year 2 >> Maths >> Fractions >> Video Tutorials.**

You can watch the answer explanation video which takes children through this activity and ways to answer it on <https://www.youtube.com/user/ClassroomSecretsLtd/> **playlists >> Year 2 Playlist >> Find a Half Answer Explanation.**

Other resources:

If your child enjoyed this activity and wants to try more activities linked to this learning, you can sign up for £4.83 per month on classroomsecrets.co.uk/membership.

Check out our daily timetable for Year 2 home learning activities on kids.classroomsecrets.co.uk >> Home Learning Timetable.

Find a Half

1. $60 = 30$; $20 = 10$; $40 = 20$; $70 = 35$
2. $A = 2$; $B = 3$; $C = 4$; $D = 1$
3. Daisy can buy the dress because half of £20 is £10; or the jumper because half of £18 is £9. She cannot buy the jacket because half of £26 is £13 so she does not have enough money.
