

Make Tally Charts

George counted the vehicles passing his school one afternoon. This is what he saw:

He made a tally chart.

Cars	Tally	Total
BUSES		5
Cars		20
		6
Motorbikes		8

Find the errors and complete the tally chart below to show George how it could be improved. Copy the parts as needed.

Vehicles	Tally	Total
Buses		5
Cars		21
Lorries		6
Motorbikes		8
