

Measure Length (cm)

1. 5
2. 6
3. C
4. Rebecca is incorrect as she has not started measuring from the correct place. The base of the flower needs to be at the base of the cubes.
5. She is correct, both pens are 5 blocks long. However, the small pen has been measured with small blocks and the long pen has been measured with long blocks.
6. Various answers, for example: 5 cubes; 6 cubes; 7 cubes
