

Activity:

The aim of this activity is for children to practise telling the time to o'clock and half past. There are three questions to complete. The first two questions allow children to practise the skill, while the third question extends them as they have to problem solve and explain their answer.

Supporting resources:

You can watch a video tutorial about o'clock and half past on kids.classroomsecrets.co.uk >> Year 2 >> Maths >> Time >> Video Tutorials.
