

## Pictograms

1.

| Food   | Number of items sold  |
|--------|---|
| Bread  |  |
| Milk   |  |
| Eggs   |  |
| Butter |  |

2. B and C

3. Karim is incorrect. The key shows that 1 circle = 2 catches, so Karim must draw 5 circles to show that Isma made 10 catches.

4. There are 8 red marbles and 4 green marbles; therefore there could be 5, 6 or 7 blue marbles.

5. Lexi is incorrect. She has 25 silver clips and 15 pink clips which total 40 clips altogether. She has 40 purple clips; therefore she has an equal amount of purple clips to silver and pink ones combined.
