

Year 4 Expanding Sentences using Prepositions – Guidance for Parents

Activity:

The aim of this activity is for children to practise recognising where prepositions have been used correctly. There are three questions to complete. The first two questions allow children to practise the skill, while the third question extends them as they have to apply their learning to get the answer.

Vocabulary:

A **preposition** is a type of word used to express time, place or cause, for example: after, under, over.

Expanding Sentences Using Prepositions

1. **A and B**
2. **down**
3. **Amira is not correct because the word 'since' is a preposition of time and this sentence requires a preposition of place. Amira could have used the preposition 'across'.**
