PS

2. Draw the missing hand on the clock so that it reads five minutes to 7.

VF

5. Seb and Dana are drawing twenty minutes to five on a clock.

Dana says,

The minute hand points at X.

Seb says,

The minute hand points at VIII.

Who is correct? Explain why.

R

3. A clock shows the time twenty-five past eight.

What number is the minute hand pointing at?

VII

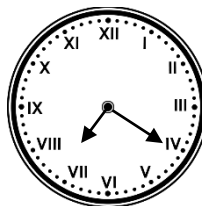

IV

V

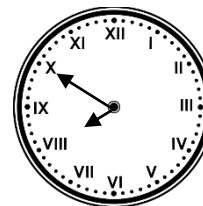

VF

6. Stephen must arrive at the airport before quarter past 8.

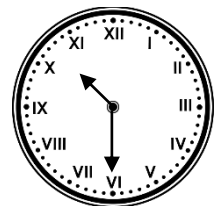

What is the best time for him to arrive?

A

B

C

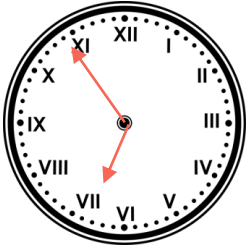

Explain why.

R

Roman Numerals

1. **Twenty past eight**

2.

3. **V**

4. **C**

5. **Seb is correct. Dana would be drawing ten to five if the minute hand points at X.**

6. **B is the best time to arrive. A is twenty past seven, B is ten to eight and C is half past nine. A would be earlier than B and C would be too late.**
