

## Activity:

The aim of this activity is for children to practise using Standard English when using the words 'I' or 'me'. There are three questions to complete. The first two questions allow children to practise the skill, while the third question extends them as they have to apply their learning to get the answer.

## Vocabulary:

**Standard English** is the formal way of writing and speaking.

**Non-standard English** is English that uses colloquialisms, slang words and dialects.

## 'I' or 'Me'

1. A. Eric and I went to the library.

E. I suppose he wanted to help.

B. Me and Mum went for a lovely walk after finishing our breakfast.

F. Ishmael didn't mention anything to Molly and I.

C. Jack bought a calendar for me.

G. "It's none of your business," Chen said to me.

D. Can you describe it to I?

H. Lucas ran forward between Kyle and me.

2. Please don't mention anything to anyone unless I tell you any different.

Sarah and I couldn't decide what to do at the weekend.

Katie and I occasionally arrive at the same time, so she asked if she could get a lift with me next week.

The boxes they delivered to me had completely taken over the garage, so dad and I eventually moved them.

3. A and D are both correct because 'Lucy, Charlie and I' is the subject of sentence A and 'Harriet and me' is the object of the sentence D. Sentence B should be 'Strange things often happen to Lucy, Charlie and me' and sentence C should be 'Harriet and I couldn't decide what time to arrive at the party.'
