

Worksheet:

This activity has been adapted from a Year 3 resource to make it suitable for Year 4. The aim of this activity is for children to practise identifying adverbs in a sentence and the nouns they are describing. There are a number of questions to complete. The first four questions allow children to practise the skill, while the next three questions extend them as they have to apply their learning to get the answer.

Vocabulary:

A **verb** is an action word such as [jump](#), [skip](#), [shout](#).

An **adverb** is type of word that gives more information about a verb. It can tell you how, when, where or how often. Some examples include [slowly](#), [yesterday](#), [regularly](#).

An **Adverb of Cause** is often an alternative to because, for example otherwise or furthermore.

An **Adverb of Time** tells us when an action has happened, for example immediately or before.

An **Adverb of Place** tells us where an action has happened, for example below or above.

3. Today I am going to my nan's house to practise sewing carefully.
4. around, enthusiastically
5. Various answers, for example: Sadia looked up and happily smiled at the teacher.
6. C, the adverb 'cautiously' does not make sense because it is an adverb of manner. The sentence needs an adverb of place to explain where Harry needs to be.
