

Activity:

The aim of this activity is for children to practise recognising and using pronouns within sentences. There are three questions to complete. The first two questions allow children to practise the skill, while the third question extends them as they have to apply their learning to get the answer.

Vocabulary:

A **pronoun** is a word that replaces a noun in a sentence. A **personal pronoun** takes the place of a person or object, such as him, her, it. A **possessive pronoun** indicates possession, such as his, hers, theirs. A **relative pronoun** refers back to a noun already mentioned in a sentence.
