

Creative Writing Challenge

Lost in the Woods

Write a story called 'Lost in the Woods' using the image below.

Remember to include all the features of a story. Think about the language used when describing the setting, your character's feelings and their actions. Show indecision in their actions with the use of modal verbs. Use relative clauses to add extra information to your sentences. Remember to punctuate your story accurately and organise your ideas using paragraphs.

Use the rest of this page to plan your ideas.

Checklist:

• Description of setting

• Description of character

• Powerful verbs and adverbs

• Modal verbs

• Relative clauses

• A range of conjunctions
